## Coronavirus (Covid-19)

*We are here to help our membership in anyway we can. Please reach out to us if you are experiencing any hardships pertaining to the effects of the Coronavirus.*

**No Fee,  
No Minimum  
Balance  
Checking!**

## Titusville High School Scholarship

This Spring, 2020 graduating seniors will be able to apply for a \$500 scholarship offered by Community Connect Federal Credit Union. This scholarship is offered to graduating seniors that will be attending college in the fall of 2020. We have organized multiple bake sales throughout the year to raise the funds for the scholarship. We encourage all Community Connect members with graduating seniors to apply at the Titusville High School!

*“We could not offer this scholarship without the help and support from our membership. Our bake sale money that we raise throughout the year by member purchases has completely funded this scholarship. We hope this tradition continues and we can offer more to seniors in the future.”*

-Wade Brink, CEO

# New System!

On August 1<sup>st</sup>, 2020 we will be converting our online banking system and mobile app to a new platform called Mobicint from the company CMC FLEX, a credit union industry technology leader. This new system will offer our online banking users more security, functionality and ease of use. Our members will enjoy all these added features and benefits at **no cost** to them!

Currently, members do not need to take action with their accounts. Be on the lookout for video tutorials on our website and more information on our newsletters. There will be a few actions to take on your account once we make the switch. As always, we are here to help and answer any questions!
