# HAPPY Summer!

### Proud Sponsor of the David L. Weber Memorial Garden

Community Connect Federal Credit Union is proud to once again sponsor and support the David L. Weber Memorial Community Garden in Titusville as we welcome another growing season.

Gardens remind us that growth takes time, patience, and consistent care before something meaningful can flourish. The same is true when it comes to your financial wellness. Whether you are building savings, planning for retirement, or teaching healthy money habits, small steps over time can lead to strong, lasting results. That is one of the reasons we value this partnership and the opportunity to invest in our community's future.

At CCFCU, we believe growth is about more than numbers in an account. It's about creating stronger communities and brighter futures. Supporting the community garden reflects our commitment to helping local families thrive, both financially and personally. We encourage everyone to visit the garden this year, enjoy the space, and reflect on the value of planting something today that will benefit others tomorrow.
